

PROFILE

Peruvian qualified lawyer with 12 years of experience, specialising in Corporate Law, M&A, Company Reorganizations, Contractual Law and Public Procurement/infrastructures disputes. Through my legal work experience, I have developed a primary interest and expertise in International Arbitration. Having acted as an Arbitrator in Perú in several cases. I am confident that the skills I have gained from my degree, work and other academic activities will be a high-value asset to any law firm or company.

LLM in Comparative & International Dispute Resolution at Queen Mary University of London (part of the Russel Group), with a focus on investment arbitration, arbitration of international commercial and construction disputes. As of 2017 been a member of the LCIA users Council and as of 2020 been a member of the SIAC arbitration roster.
